Dear Attorney General Garland,

I am pleased to write this letter encouraging the full and fair consideration of the application from Brookhaven, GA for Department of Justice Community Oriented Policing Services program discretionary funding.

If awarded, this funding would be used to hire and retain six police officers within the Brookhaven Police Department. This funding would help enable these new officers to use proven methods to build legitimacy, increase visibility, and prioritize interaction using methods focused on building community relationships.

I encourage your full and fair consideration of this application, consistent with all agency rules and regulations. If you have any questions, please contact Annie Wang at (202) 224-3643 or annie_wang@warnock.senate.gov.

Sincerely,

Reverend Raphael Warnock
